

# Information Security Policy

Sungwoo Stamping Private Limited, is committed to protect, preserve and manage the Confidentiality, Integrity and Availability of information and all supporting business processes, systems and applications.

Sungwoo Stamping Private Limited, shall achieve this by:

- Appropriate access controls are maintained, with information protected against unauthorized access.
- Identify and regularly assess security threats to business operation and manage associated risks.
- An effective incident management process is in place for quick response to information security breaches or incidents.
- A Business continuity plan is in place to counteract interruptions to business activities and to protect critical business processes. The plans will be tested periodically.
- Providing training to employees on Information Security awareness.
- Develop, implement and maintain policies, procedures and specific controls in line with security standards. Meeting the business, regulatory, legislative and contractual requirements.
- Continually improve the Information Security Management System through the establishment and regular review of measurable security objectives at relevant functions and levels of the organization.
- Ensure compliance with this policy through a process of education, training, review and audit.
- Ensure that Sungwoo Stamping Private Limited Management and Employees comply with the requirements of security policy.
